

Nest Cam (indoor, wired)

Know more.
Worry less.

Intelligent alerts

Get relevant and actionable alerts for peace of mind.¹

More helpful notifications

Get specific notifications about people, pets, and vehicles with built-in intelligence.¹

Customizable Activity Zones

Define up to 4 areas, so you only get notified when something happens there.¹

See what's happening

Stay updated and act on what you see, wherever you are.

Event video history

Get 3 hours of event-video history, even without a Nest Aware subscription.²

Take action

Talk and listen to people through the built-in speaker and mic.¹

Design and setup

The indoor Nest Cam is easy to set up in any room and is designed to blend into your home.

Simple plug-in-and-go setup

Download the Google Home app and set up your Nest Cam in just a few simple steps.¹

Built to blend in

It's compact, adjustable and comes in a range of colors. It has an adjustable hinged stand which converts into a wall mount.

Privacy protection

Choose what is recorded, control what information you share, and keep your videos secure.

Encrypted and secure

Encrypted video stream and 2-step verification keeps your videos secure.

Home & Away Routines

You can use the Google Home app to set Nest Cam to only record video when you're not at home.³
